The Rebozo Length Guide

A quick referencefordoulas,midwives & birth professionals

PREGNANCY COMFORT

REBOZO TECHNIQUES

MOVEMENT & SUPPORT

Find the length that suits your practice

All three standard lengths are approximately 65 cm (25.6 in) wide.

2.5 m

COMPACT LENGTH

Less fabric to handle for shorter wraps or techniques that do not require extra length.

3 m

MID-LENGTH OPTION

A balance of reach and manageability for professionals who want more fabric.

5 m

EXTENDED LENGTH

Extra length for wrapping approaches and ceremonies where more fabric is useful.

CUSTOM SIZES AVAILABLE UPON REQUEST

Ask about specific needs,custom lengths,wholesale orders and training groups.

Made in Mexico, rooted in tradition

Woven cotton rebozos made on Mexican looms with hand-finished fringes.

The appropriate length depends on the technique, person and practitioner.
